

Kohde 1: Boss sähkötrukki (Lancer/Steinbock LE16-50 1989) latureineen

Trukki on saatu vuosia sitten, mutta sen ajopuoli ei toiminut, eikä sitä omalla porukalla pystytty saamaan kulkemaan. Nyt trukki on seisonut jo vuosia Parkanon hallissa sisällä.

MADE IN GERMANY

BOSS

BOSS, Leighton Buzzard, Bedfordshire LU7 8SR. Tel. 0525 372031 Telex 825781

Type	LE 16-50 HX-MK LVD-1	Serial Number	16330	Works Order Number	43753
Rated capacity	1600 kg	at load centre	500 mm	lift height	3000 mm
Year of manufacture	1999	Unladen mass	2140 kg	Battery voltage	48 V
Authorized battery mass	810 kg min.		896 kg max.	No. of cells	24
Motor	model			serial number	
Transmission	model			serial number	

LANCER BOSS GROUP User manual must be consulted for all lubricant specifications. Patents and patents pending. Fig. no. F05025
